APEC 2015 Expert Consultation on Assessment Methodology of Fishery and Livestock Losses

Date: July 16-17, 2015

Venue: Building I, College of Management, National Taiwan University, Taipei

Host: Council of Agriculture, Chinese Taipei

AGENDA

DAY 1: July 16, 2015

DAY 1: July 16, 2015	
08:30-09:00	Registration
09:00-09:30	Welcome and Opening Remarks <ul style="list-style-type: none"> - <i>Representative of Council of Agriculture, Chinese Taipei (TBD)</i> - <i>Amb. Pei-yung Hsu, APEC Senior Official, Director General, Ministry of Foreign Affairs, Chinese Taipei</i> - <i>Atty. Asis Perez, Chair, APEC Policy Partnership on Food Security (PPFS); Undersecretary, Department of Agriculture, The Philippines</i> - <i>Prof. Ching-Ray Chang, Executive Vice President for Administrative Affairs, National Taiwan University, Chinese Taipei</i>
09:30-09:40	Group Photo
09:40-10:00	Coffee Break
10:00-12:00 (30 minutes for each presentation)	Panel Session 1: Assessment Methodology: Scope, Definition and Measurement Main Issues: <ul style="list-style-type: none"> - <i>What are the current trends and challenges in food loss reduction in the fishery and livestock sectors in Asia Pacific?</i> - <i>How will international initiatives promoting responsible practices on trade and sustainable fisheries/aquaculture influence food losses/waste in Asia Pacific?</i> - <i>What are the exiting definitions for food losses and waste in the fishery and livestock sectors?</i> - <i>Should APEC adopt the FAO (2011) definitions to measure the food losses and waste in the fishery and livestock supply chain?</i>
10:00-10:30	1. Presentation: Food Loss in the Supply Chain: The Landscape in Fisheries and Aquaculture. Presenter: Mrs. Staci Rijal, NOAA, the United States
10:30-11:00	2. Presentation: Global trends for the Livestock Chain and the need to reduce wastage

11:00-12:00	<p>of high value product</p> <p>Presenter: Prof. James Morton, Head, Dept of Wine, Food and Molecular Biosciences, Lincoln University, New Zealand</p> <p>Discussion: all participants, moderated by Rijal and Morton</p>
12:00-13:30	Lunch
13:30-15:30 (30 minutes for each presentation)	<p>Panel Session 2: Data Collection and Gaps/Improvements</p> <p>Main Issue:</p> <ul style="list-style-type: none"> - How to use the modeling estimates from the FAOSTAT and existing studies/literature as a starting point to prepare an APEC database? - How to provide domestic statistics from each APEC economy to validate and improve/extend the database?
13:30-14:00	<p>1. Presentation: Current Status of Food Loss in Fishery Supply Chain- Lessons, Implications from Korea Case</p> <p>Presenter: Dr. Cho, Jung-Hee, Overseas Fisheries Research Department, Korea Maritime Institute, Rep of Korea</p>
14:00-14:30	<p>2. Presentation: The Information Gap and Improvement in Data Collection in Livestock Supply chain in China</p> <p>Presenter: Prof. Nie Feng-Ying, Chinese Academy of Agricultural Science, Peoples Rep of China</p>
14:30-15:30	Discussion: all participants, moderated by Cho and Nie
15:30-15:50	Coffee Break
15:50-18:00 (10~15 minutes each)	<p>Session 3: Member Economy Voluntary Reports on Food Losses in Fishery and Livestock Sectors</p> <p>Main Issues:</p> <ul style="list-style-type: none"> - What are the major products and supply chain structure of fishery and livestock in your economy? - What are the key fishery/livestock product suitable for baseline data construction and validation in your economy? - What are the existing information gaps and recommendations for data gathering and future research? <p>Presentations</p> <ul style="list-style-type: none"> - Indonesia: Mr. Mohamad Natsir , Agency for Marine and Fisheries Research and Development, Ministry of Marine Affairs and Fisheries - Mexico: Ms. Leticia Albarran Mena, Specialist on Climate Change of the General Coordination of International Affairs, Secretariat of Agriculture, Livestock, Rural Development, Fisheries and Food - New Zealand: Prof. James Morton, Head, Dept of Wine, Food and Molecular Biosciences, Lincoln University, New Zealand - Papua New Guinea: Mr. Mark Ivekolia, Project Analyst, National Fisheries Authority - Peru: Mr. Luis Alberto Chimpen Salazar, Engineer, Technical Institute of Production (ITP) - The Philippines: Dr. Jonathan V. Sabiniano, Meat Control Officer II, Plant Operation Standard and Monitoring Div, Nat Meat Inspection Service

	<ul style="list-style-type: none"> - Chinese Taipei: Prof. Yun-Chu Wu, Department of Animal Science and Biotechnology, Tunghai University - Thailand: Ms. Hirunya Srasom, Senior Professional Economist, Ministry of Agriculture and Cooperatives - Vietnam: Mr. Bach Van Hanh, Officer, Directorate of Fisheries (D-FISH) of the Ministry of Agriculture and Rural Development (MARD) <p>Discussion: all participants, moderated by Chang</p>
18:30-20:00	Welcome Dinner (La Marée)

DAY 2: July 17, 2015	
08:30-10:10 (30 minutes for each presentation)	<p>Panel Session 4: Survey Design and Implementation</p> <p>Main Issues:</p> <ul style="list-style-type: none"> - <i>How to design a survey to produce a baseline of food losses for key supply chains across APEC economies?</i> - <i>How to implement the survey and balance between data transparency and confidentiality?</i> - <i>What are the technical supports and funding needed to conduct the survey?</i>
8:30-9:00	1. Presentation: Data transparency and confidentiality in food supply chain Presenter: Dr. Don Gunasekera, Institute for Supply Chain and Logistics, Victoria University, Australia
9:00-9:30	2. Presentation: Economic Evaluation of Food Losses and Waste in the Supply Chain: The Case of Rice in Thailand Presenter: Prof. Sarun Wattanutchariya, Faculty of Economics, Kasetsart University, Thailand.
9:30-10:10	Discussion: All Participants, moderated by Gunasekera and Sarun
10:10-10:30	Coffee Break
10:30-12:10 (30 minutes for each presentation)	<p>Panel Session 5: Reporting, Continuity and Capacity Building</p> <p>Main Issues:</p> <ul style="list-style-type: none"> - <i>How to use the survey results to support advocacy strategies to adopt new technologies/toolkits/practices on loss reduction?</i> - <i>How to extend the database into an indicator system to foster food security across APEC economies?</i> - <i>How to provide capacity building for enabling the data collection effort across APEC economies?</i>
10:30-11:00	1. Presentation: Issues on Reporting, Continuity, and Capacity Building in Food Loss and Waste Database: Experience from USDA Presenter: Dr. Jean Buzby, Economic Research Service, USDA, The United States (by Video)
11:00-11:30	2. Presentation: Issues on Reporting, Continuity, and Capacity Building in Fishery and Livestock Survey and Database Presenter: Dr. Amelita Salvador, Socio-Economic and Policy Research Division, Dept. of Agriculture, Philmech, The Philippines.

11:30-12:10	Discussion: all participants, moderated by Gunasekera and Salvador
12:10-13:30	Lunch
13:30-15:10	<p>Panel Session 6: Work Plan and Operational Mechanism</p> <p><i>Main issues:</i></p> <ul style="list-style-type: none"> - <i>Discuss the case study work plan (draft) for the technical team on food loss measurement and database validation</i> - <i>Discuss the terms of reference (draft) on the operational mechanism of the technical team</i> <p>Presenter: Dr. Ching-Cheng Chang, Academia Sinica, Chinese Taipei</p> <p>Discussion: all participants, moderated by Rex Bingabing and Shih-Hsun Hsu (Chinese Taipei)</p>
15:10-15:30	Coffee Break
15:30-16:00	<p>Session 7: Conclusions, Recommendations, and Follow-Ups</p> <p>Co-Chairs: Ching-Cheng Chang and Dong-Chong Hsiou (Chinese Taipei)</p>
